Dear Enquirer

2008 real; - Berlin Marathon – Sunday 28 September 2008

Thank you for your interest in running the 2008 real; - Berlin Marathon for Scope.

This is a fantastic marathon which starts and finishes near the Brandenburg Gate and passes many outstanding landmarks. The flat course also makes it ideal for first time marathon runners or the more experienced looking for a personal best.

Scope has guaranteed entries in this fantastic race and we'd be delighted to welcome you to the team.

Scope is a leading national disability charity, working throughout England and Wales, whose focus is people with cerebral palsy (cp). Every six hours in the UK a child is born with cp - that's one in 400 births - making cp the most common cause of childhood physical disability. It's with the help of supporters, like yourself, that we're able to continue our vital work.

As part of the Scope running team you'll receive full email and telephone support from our highly experienced fundraisers (many of whom have run at least one marathon!), along with a runner's pack full of fundraising and training advice and an exclusive Scope running vest.

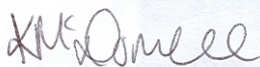

To be part of the Scope Berlin Marathon Team all we ask is that you raise £1,000 in sponsorship. You won't be tied in to any tour operators so you're free to make your own travel and accommodation arrangements; we'll provide loads of up to date travel information to make this easy for you. You can then make your stay in Berlin as long or as short as you wish.

So what are you waiting for...Sign up now for the experience of a life time!

If you would like to sign up for one of Scope's Guaranteed Places, please complete the enclosed priority entry form and return to Scope at the above address with your £55 entry fee, and two passport photos. We will then send you your Running Pack full of fundraising ideas and training tips, your ID badge, authority letter, T-shirt, paying in book and sponsor forms.

If you have any queries about running the real; - Berlin Marathon for Scope, please contact me on 020 7619 7210.

Kind regards,

Karen McDonnell
