Thank you for your interest in running the 2008 British 10K London Run for Scope.

This fantastic 10k race takes you past famous landmarks in the capital, including St Paul's Cathedral, and the atmosphere throughout the course is just what you need to spur you on to reach the finish line!

Scope has guaranteed entries in this great race and we'd be delighted to welcome you to the team.

Scope is a leading national disability charity, working throughout England and Wales, whose focus is people with cerebral palsy (cp). Every six hours in the UK a child is born with cp – that's one in 400 births – making cp the most common cause of childhood physical disability. It's with the help of supporters, like yourself, that we're able to continue our vital work.

As part of the Scope Team you'll receive full email and telephone support from our highly experienced fundraisers, along with a runner's pack full of fundraising and training advice and an exclusive Scope running t-shirt. We'll even be there on the day to cheer you on!

To be part of the Scope Team all we ask is that you raise £150 in sponsorship.

**So what are you waiting for... Sign up now for the experience of a life time!**

If you would like to sign up for one of Scope's Guaranteed Places, please complete the enclosed entry form and return to Scope at the above address with your £20 entry fee, and two passport photos. We will then send you your Running Pack full of fundraising ideas and training tips, your ID badge, authority letter, T-shirt, paying in book and sponsor forms.

If you have any queries about running the British 10K London Run for Scope, please contact me on 020 7619 7286.

Kind regards,

Cordelia Hughes
