2008 BUPA Great South Run

26 October 2008

Dear Enquirer,

Thank you for your interest in running the 2008 BUPA Great South Run for Scope. This is Britain's biggest and most popular 10 mile race and every year proves to be a fantastic run. The public entry system has now opened and Scope has guaranteed places in the 2008 run.

There are two ways you can be part of the Scope Team:

1. You can apply for one of Scope's Guaranteed Places in the 2008 BUPA Great South Run. To secure your guaranteed place all you need to do is fill in the registration form and send it off along with two passport photos and your £20 entry fee (non-refundable) to Scope. We ask our Guaranteed Runners to try and raise a minimum of £200 in sponsorship for Scope. Places are on a first come, first served basis.
2. Or you could try and secure your own running place by applying to the Great South Run organisers direct. Once your place is secured, you can join the Scope Team and remember there's no fundraising target if you have your own place!

Whether you manage to get your own place or take one of our Guaranteed Places we can help you every step of the way. We will provide you with top training tips, newsletters, a Scope running t-shirt and plenty of great team spirit! On receipt of your form we'll send you a running pack plus your ID badge, authority letter, T-shirt, paying in book and sponsor forms.

So far, Scope team runners have raised over £1 million in sponsorship for Scope – vital income that helps up to continue our work. Every six hours in the UK a child is born with cerebral palsy – that's one in 400 births – making cp the most common cause of childhood physical disability. By signing up to the Scope running team, you'll help us ensure more disabled children and adults receive the support they need to achieve equality and lead fuller lives.

If you have any queries about running the BUPA Great South Run for Scope, please contact me on 020 7619 7289. I look forward to your application form!

Kind regards
