Dear Skier or Snowboarder

**White Peaks Ski Marathon
12th – 15th March 2009 – Italy**

We are delighted that you are interested in taking part in the Italian White Peaks Challenge in 2009. This non-stop action-packed challenge will push you to your limits and help Scope support disabled people. Now in its 11th year, this marathon ski and board challenge takes place on some of Europe's world-renowned skiing areas, as you cover 130km of pure adrenalin!

In 2009, Scope is taking the challenge to the Italian slopes, tackling the incredible Milky Way and Olympic runs during the event. Places are limited, so you'll need to fill in the form NOW so that we can guarantee your place. All you need to do is put the form in the post to us, along with a completed medical form and two passport-sized photos. If you have never taken part in a Scope White Peaks Challenge before, you will also need to send us a registration fee of £100 (please make cheques payable to Scope).

We're asking everyone to raise a minimum sponsorship of £1,500 which must be paid in full to Scope by the time we depart for Italy (£750 must be banked by the middle of January 2009 and the remaining £750 before departure). This may seem like a lot of money, but we'll send you a detailed fundraising pack with loads of ideas and fundraising materials and we'll help you every step of the way – that's what we're here for! In return, all flights, accommodation, food, ski hire (if needed) and experienced guides are provided.

Once we receive your form we'll forward you an i.d. badge, authority letter, paying-in book, t-shirt, sponsor forms, information about Scope and further guidelines for raising the money, so that you can get started with your fundraising straight away. Our entry packs, complete with an itinerary and questions and answers are not yet ready, but to ensure you don't miss out you can sign up NOW using the attached application form.

We look forward to welcoming you to Italy in 2009!
With very best wishes
