

Disability Energy
Support

with water advice

Supporting disabled
people to take charge
of their energy needs

SCOPE

= Equality for
disabled people

Need support on managing your energy needs? We're here to help with free and impartial advice*.

Our expert energy advisers are available to support you with:

- Energy and water debt
- Becoming more energy and water efficient
- Advice if you're worried about energy bills
- Switching tariffs or supplier
- Accessing energy and water benefits, grants and trusts
- Free pre-payment fuel vouchers (conditions apply)
- Helping you understand your bills
- Advice if your energy supplier has gone bust
- Contacting your supplier on your behalf

For more information visit scope.org.uk/des

or call us for free on **0808 801 0828**.

Telephone appointments available from 8am – 8pm Monday to Friday.

Disability Energy Support Service is funded by Energy Savings Trust and supported by SGN, UK Power Networks and Anglian Water

*This service is available for all households across England and Wales in which one or more disabled people live.
